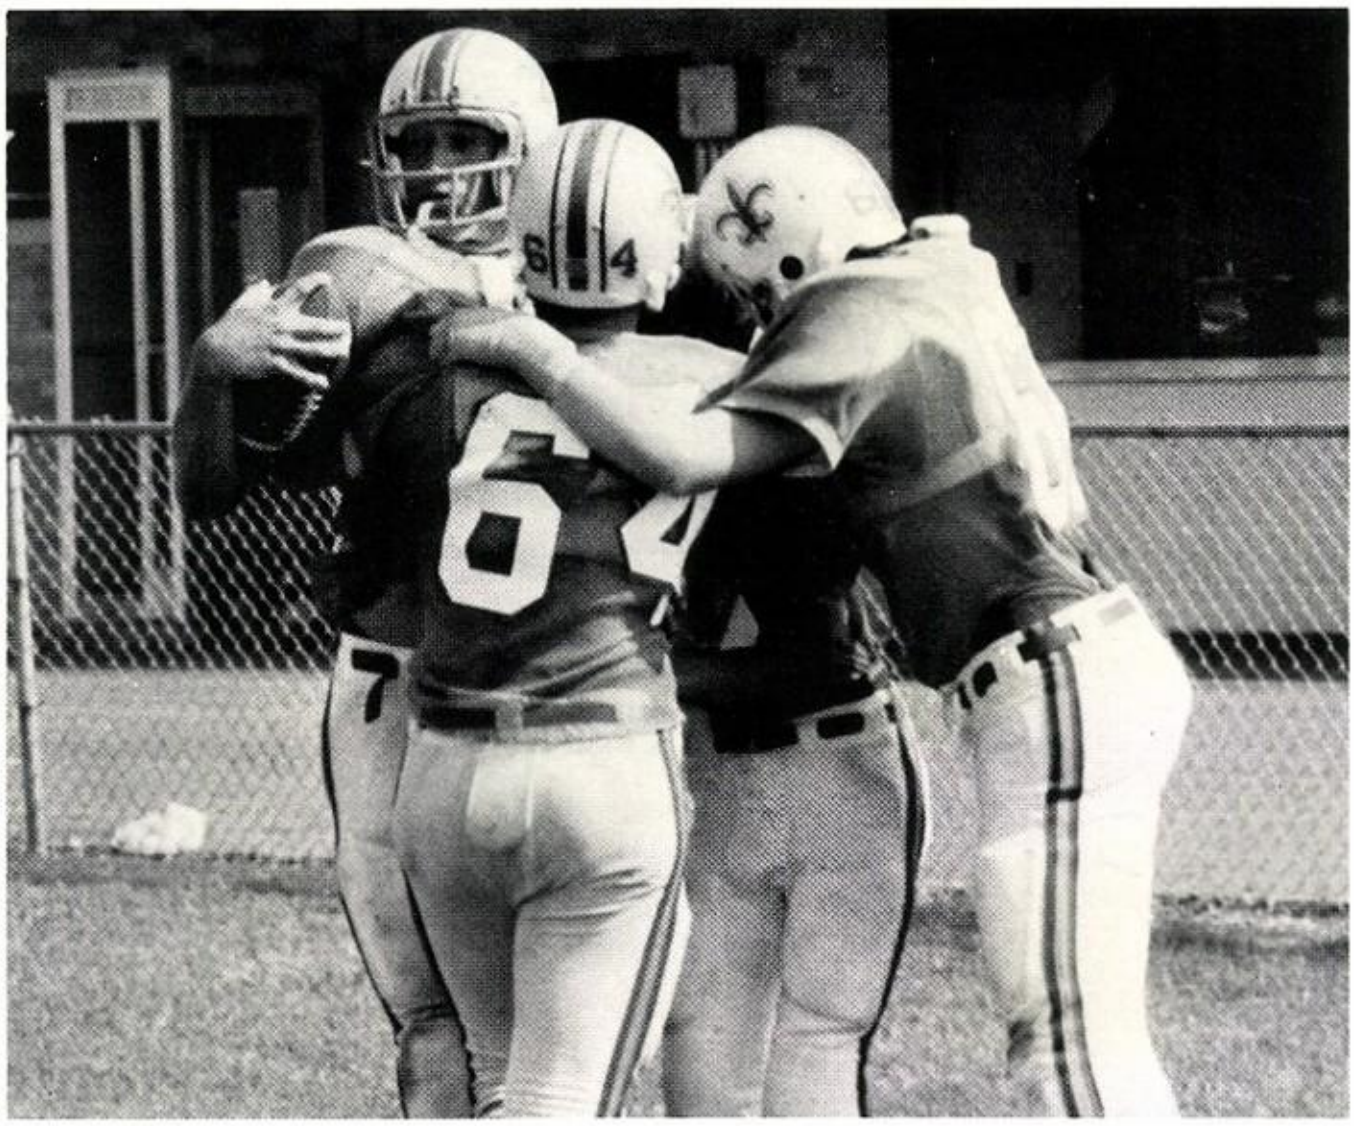
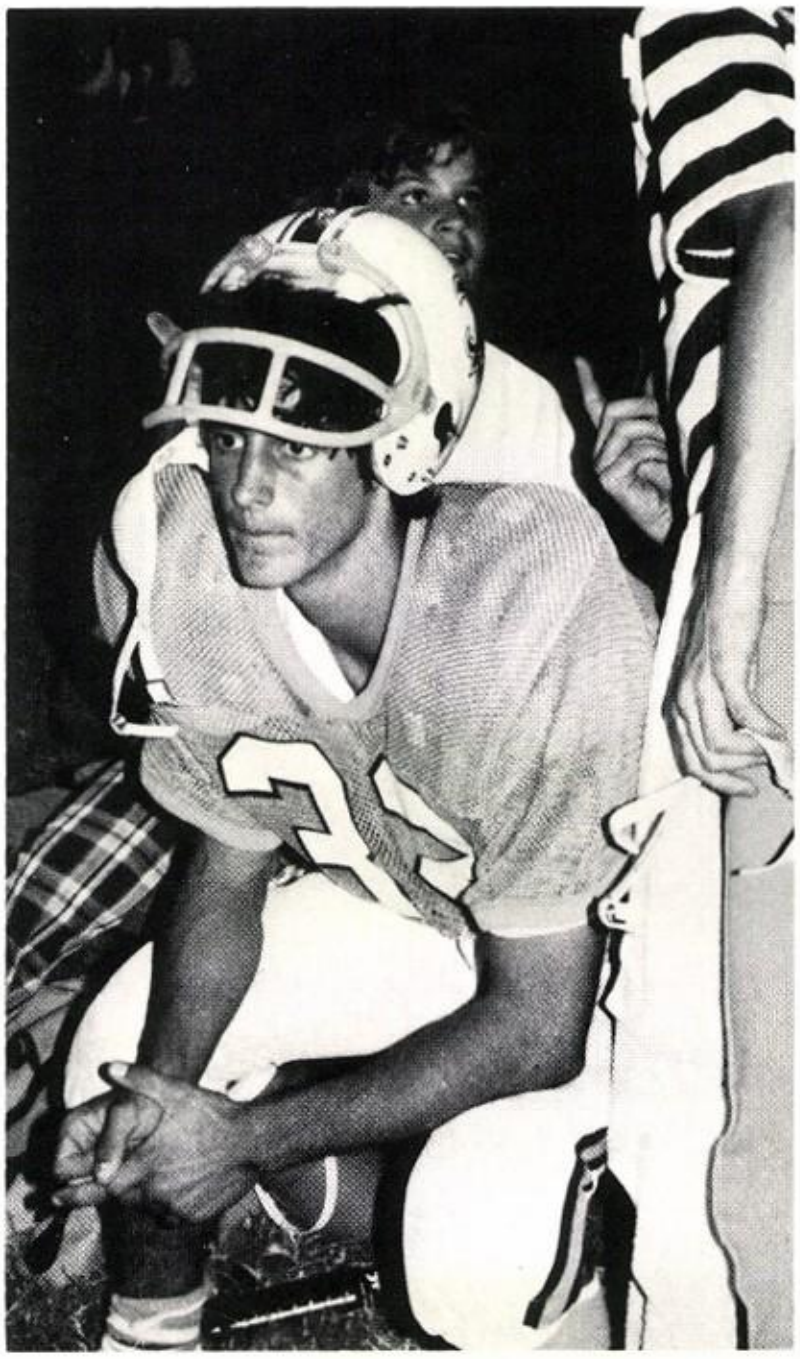
A bigger scheme,

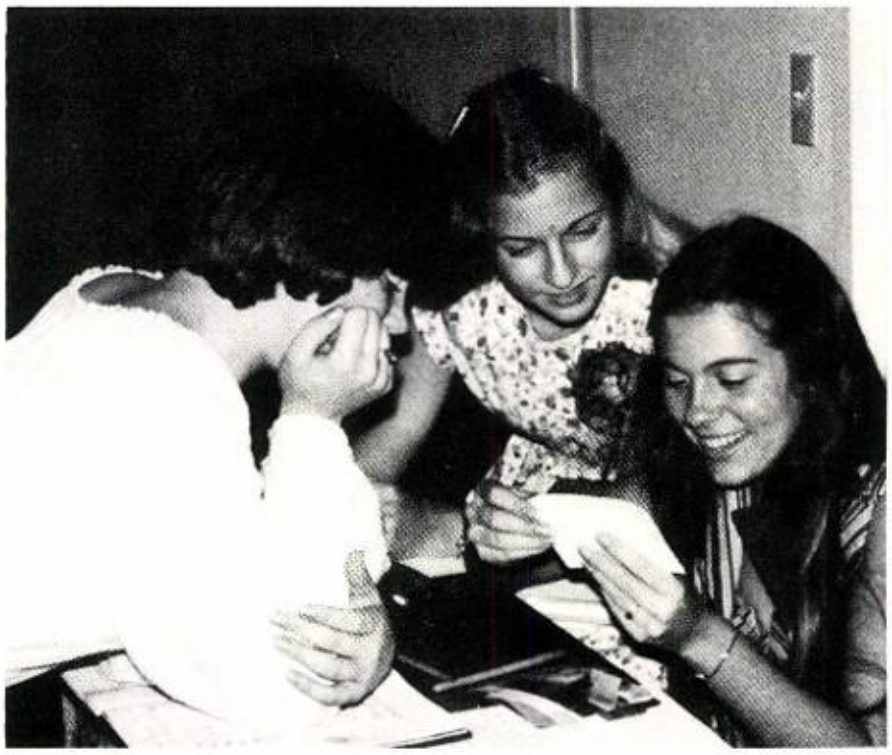
CLASS OF '78

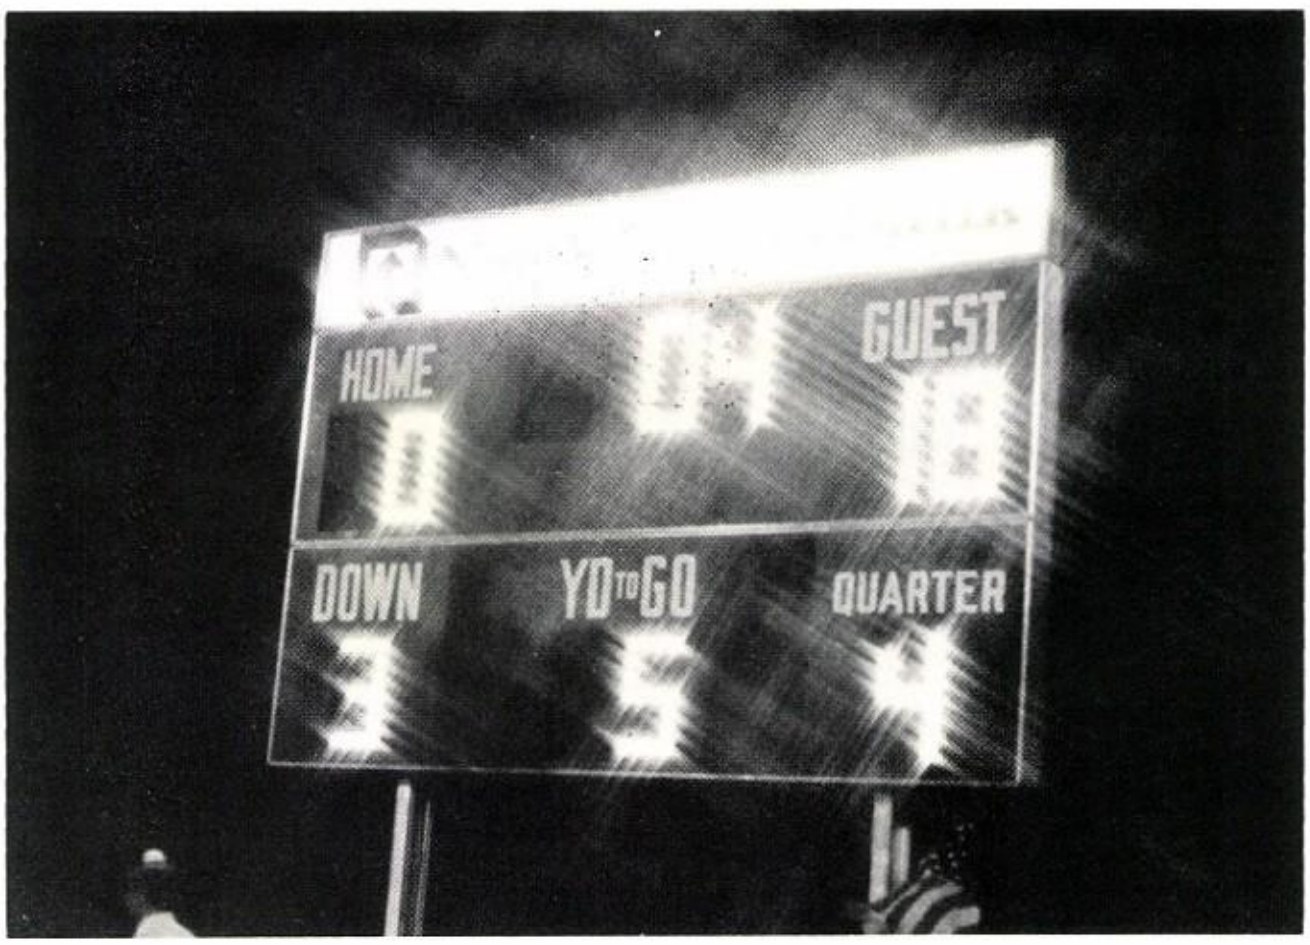
And the thing that counts
In the world today,





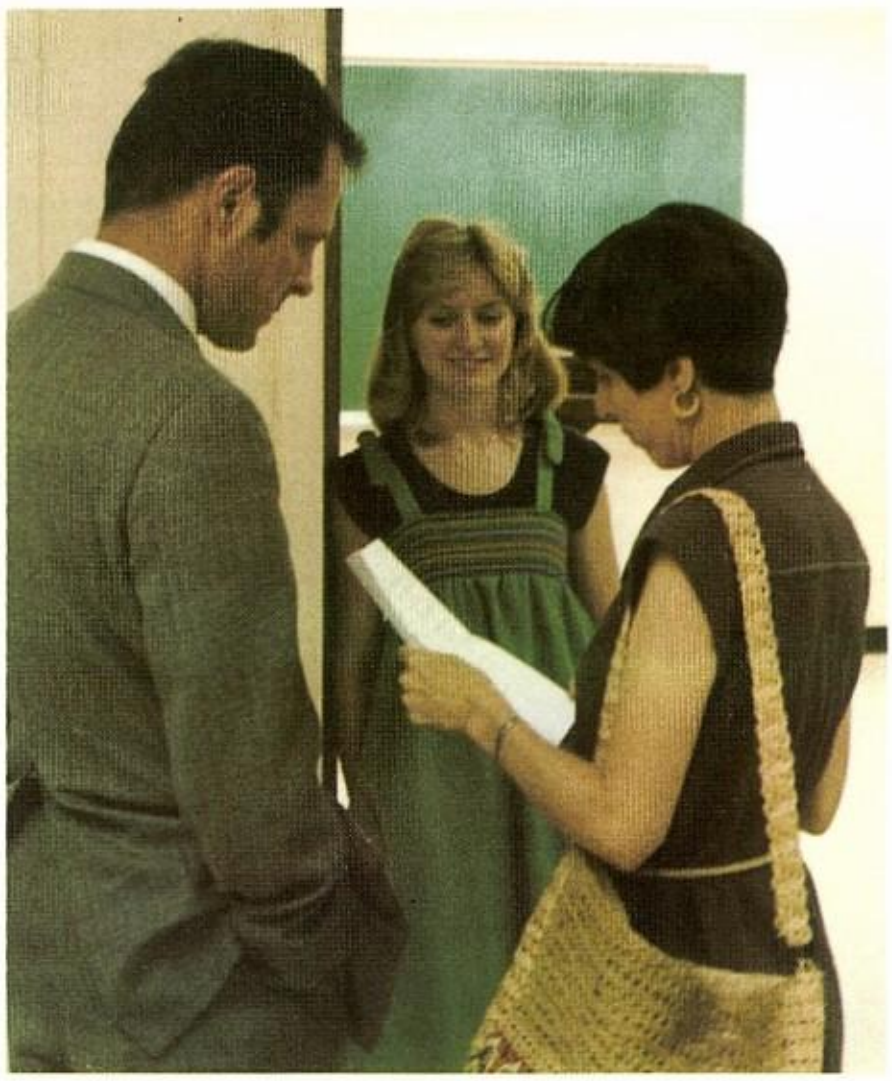
Is, how do you pull
With the team?





For four years First Baptist Academy has had a dedicated teacher working on its faculty team. She has focused her unending energy on many phases of our school life and has directed many young lives by her outstanding Christian example. Her great sense of humor, love of life, and ready smile are part of her nature — for although she is a teacher, she is above all a friend to each and every student. Therefore, with greatest love and appreciation, the 1977-78 *Cornerstone* staff proudly dedicates this year's annual to

Miss Linda Rainwater



FBA

They may sound your praise
and call you great,

They may single you out
for fame.

But you must work with
your running mate,

Or you'll never win
the game;

ACADEMICS

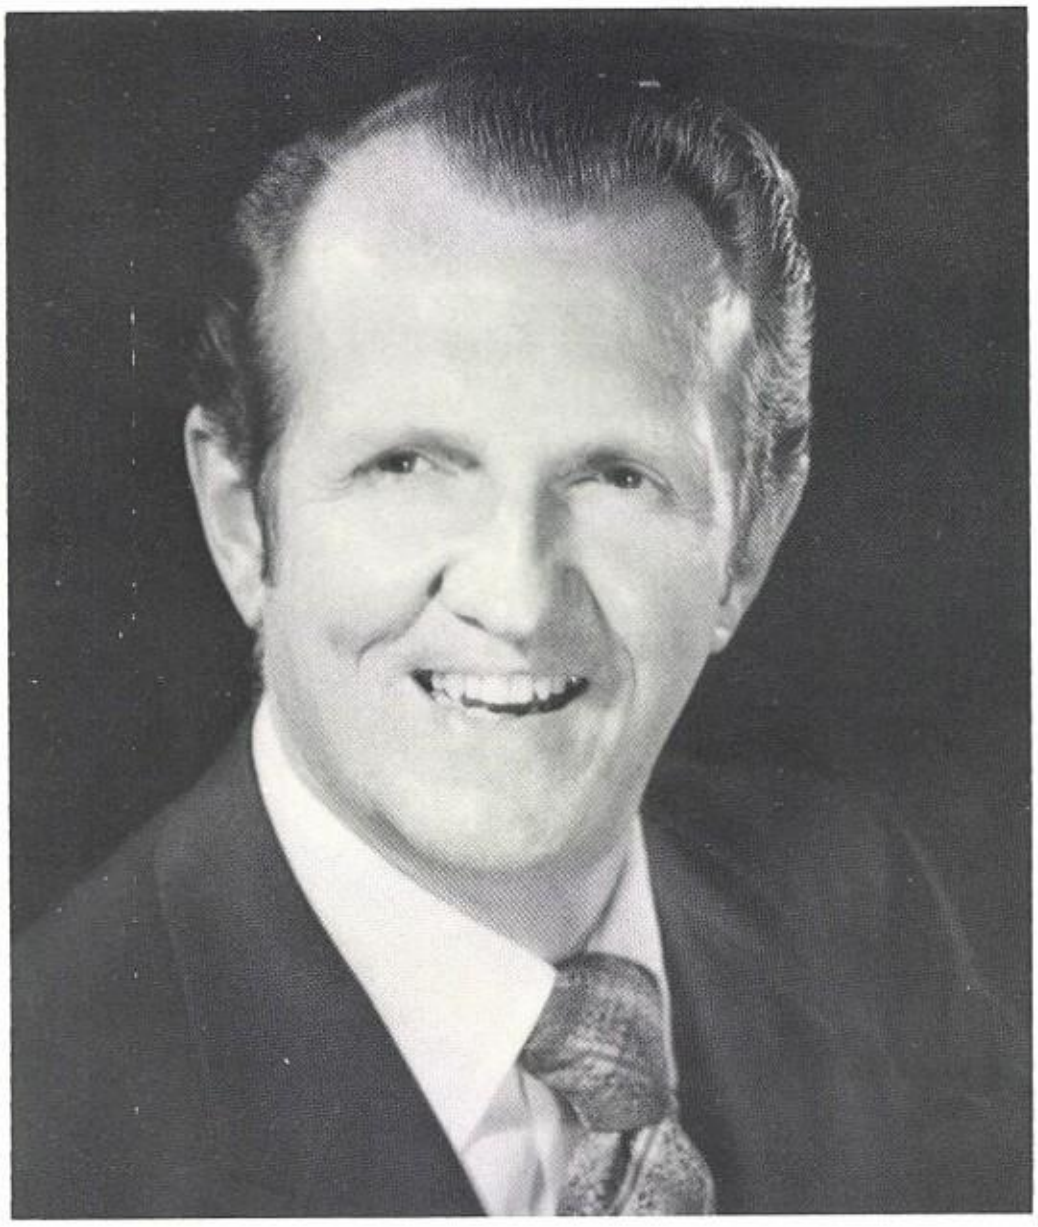
Dr. W. A. Criswell

OUR FOUNDER

Another God-blessed school year is drawing to a close, and we have the privilege of honoring our seniors and expressing gratitude for the other students who make our Academy so great. With our principal, our trustees, our faculty, our parents, and our friends, we have been able with increasing enthusiasm to build a nobler and finer school. Thousands of members of our dear church pray for us and support us and rejoice in every victory that we win.

Without doubt it is one of the most precious of all the opportunities in life to enroll our children in First Baptist Academy. Without apology and without interdiction, we can teach every subject as its truth exists in the mind of God through Jesus Christ. With the truth of our Lord we are able to understand all the phenomena in the universe around us and in the world of being within us.

God bless all of you who make our First Baptist Academy one of the most vibrant and viable of all the Christian schools in the earth.



Dr. Melvin R. Carter

OUR PRINCIPAL

The clock of life has struck again and our Seniors '78 are about to take their place on the cutting edge of the future.

To this Senior Class we say thank you and God bless you for a worthy walk in First Baptist Academy. Some of you were with us the first day our school opened its doors. You were leaders then in the seventh grade and you have continued to be leaders in academics and athletics, but especially in spiritual achievements.

You have pioneered with us in building one of the finest Christian schools in America. Your parents have believed in the Christian school and have given you an unparalleled foundation for a godly life. You will now have an opportunity to prove the merits of your Christian education as you use the building blocks of spiritual and academic wisdom we have sought to instill in your life.

With great anticipation I look forward to the "great wonders" God will do with you. I shall follow you with my prayers and interest. Let God's Word always be your primary textbook, "a lamp unto your feet and a light unto your path."
